

# Pine Springs

PREPARATORY ACADEMY

August 13, 2024

Greetings Pioneer Families,

The start of 2024-25 school year is just over a week away and we are very excited to have our students back on campus.

As you may know, our school is transitioning to a new Student Information System as we move away from PowerSchool and implement Infinite Campus. All public schools in NC will shift to Infinite Campus over the next year; PSPA just happens to be in the first set of schools to make the move for the upcoming school year.

We will be using a communications tool within Infinite Campus to send you emails and text messages throughout the year. I ask that you please be patient with us during this transition. It is possible that some emails and/or phone numbers will need to be added to Infinite Campus during the transition period. Unfortunately transferring data from one platform to another never seems to occur without some glitches. If you become aware of another PSPA family who states that they are not receiving communications such as this one, please let them know that they can contact Monique Richter at [mrichter@pinespringsprep.org](mailto:mrichter@pinespringsprep.org) and she will make any needed corrections. Please do not call the main office phone numbers, an email to Ms. Richter is all that is needed to troubleshoot the situation.

Please be on the lookout later today for Open House information that our Principals will be sending out.

Lastly, over the next few days, the volume of emails that you receive from us may be a bit higher than usual as we have important information to share prior to the school year officially beginning. It is not our intention to overwhelm your inbox, but please take time to read each message carefully.

Looking forward to another terrific school year!

Sincerely,  
Mr. Friend  
Head of School
