

HOS Communication 12/5/2024

Greetings Pioneer Families,

On December 17, 2024, at 7:00pm, the Holly Springs Town Council will hold their monthly meeting. On the agenda that night there is a critically important vote pertaining to the future plans of our school.

As I shared in a recent email, PSPA has received the support of the Town staff, and a unanimous vote of support from the Town Planning Committee, to allow for our proposed upper school to be located along Green Oaks Parkway in the Holly Springs Business Park. While the Town staff, and the Town Planning Board, have expressed support for our upper school project, we cannot take for granted that the Town Council will do the same.

Just today there was an [exciting announcement](#) about additional jobs coming to Holly Springs due to biomedicine business expansion in the business park. While our proposed upper school will provide students with the opportunity to be successful in whatever their future career interests may be, our plans for unique academic programs in the life sciences align perfectly with the workforce needs of many of the companies that already call Holly Springs home.

We need your voice to be heard in support of our planned upper school expansion. Here are ideas on how you can do that:

1. Please consider attending the Town Council Meeting on 12/17/24 at 7:00pm. While not required, should you attend in person you are also welcome to sign up for public comment to address the Council so that they can hear from you directly. You can sign up for public comment prior to the meeting beginning so you will want to arrive before 7:00pm. Even if you do not speak, just being there will be a huge show of support for our school. Town Council Meetings are held at Town Hall, located at 128 S. Main St., Holly Springs.
2. If you are unable to join in person, I encourage you to submit your support to council members via email. Instructions for how to submit public comment via email can be found at: <https://www.hollyspringsnc.gov/2242/Submit-a-Public-Comment>. Individual email addresses of Council members are also located on the website. It is important that emails are sent prior to 12/17/24.

Thank you for choosing PSPA and for advocating for exciting opportunities that are ahead of us.

Sincerely,

Mr. Friend

Head of School
